

## Project Development Phase

### Register & Login to IBM Cloud

Team ID	PNT2022TMID25916
Project Name	VirtualEye - Life Guard For Swimming Pools To Detect Active Drowning
Maximum Marks	8 Marks

- Register with IBM cloud.
- After Register, sign in with your credentials link.
- Sign in with IBM id and Password .
- IBM cloud dashboard will be created.

The screenshot displays the IBM Cloud Dashboard interface. At the top, there is a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user profile (SRIRANGA GOPIKRISH...). Below the navigation bar, the main content area is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a prominent "Create resource" button. The dashboard is organized into several sections. The "For you" section features a grid of recommended resources, including a "Build" section with a blue background, and several tutorial cards for building a web app with Watson Speech to Text, getting started with Watson Studio, building a Virtual Private Cloud (VPC), learning about IAM Roles, and building a virtual machine. Each card includes a brief description, a "Getting started" button, and a time estimate. Below the "For you" section, there are four more sections: "News" with a list of recent articles, "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom right corner of the dashboard features a world map graphic and a chat icon.
